The NJ Department of Agriculture’s JERSEY FRESH FARM TO SCHOOL RECOGNITION PROGRAM highlights efforts that bring produce from New Jersey’s farms into school cafeterias. Initiatives include school gardening, farm visits, and culinary classes and the integration of food-related education into the regular, standards-based classroom curriculum. The United States Department of Agriculture (USDA) supports the program, through research, training, technical assistance, and grants.

Participation in the JERSEY FRESH FARM TO SCHOOL RECOGNITION PROGRAM will recognize and promote your school’s efforts to serve Jersey Fresh produce and support local agriculture. This recognition program is an opportunity to expand your school’s farm to school efforts and highlight Jersey Fresh produce in your school meals. Locally grown produce is healthy and has a crisp, flavorful taste students will enjoy. This program encompasses endless educational opportunities to learn about good nutrition and the New Jersey agricultural industry.

Participating schools will receive an exclusive Jersey Fresh Farm to School promotional materials kit for use in the school cafeteria and to inform your community about your participation in the program. The kit will include Jersey Fresh Farm to School logo items such as a banner, aprons, pencils, pins, key chains, and a flash drive containing program and media templates to customize announcements of your farm to school activities.
In January 2011, Governor Christie signed legislation establishing the last week of September every year as “Jersey Fresh Farm to School Week.” This year Jersey Fresh Farm to School Week is September 22 – 26. The objectives of the week are:

- Strengthen children’s and the school communities’ knowledge about agriculture and nutrition
- Increase children’s consumption of Jersey Fresh fruits and vegetables
- Increase market opportunities for farmers

I. EXPECTATIONS OF PARTICIPATING SCHOOLS:

Jersey Fresh Farm to School Week, September 22 – 26, 2014:
- Plan at least one (1) promotion/event during the annual Jersey Fresh Farm to School Week. Provide NJDA School Nutrition staff with documentation, including pictures (with signed releases), flyers, menus, copies of web postings, etc.
- Menu and serve at least one (1) Jersey Fresh item each day. Documentation must be provided for the product served and farm from which it was sourced.
- Highlight a “Did You Know?” fact during morning announcements about a local fruit or vegetable being served.

National Farm to School Month, October 2014:
